

Extreme Teen Camp

The Nature Camp...ETC, and its 20 plus years of camp experience, is ready to provide the greatest summer camp opportunity for all campers in 6th through 8th grade in Northeast Ohio. **The Nature Camp...ETC** is all about making memories, fostering lifelong friendships and creating more confident and capable young men and women. But, **The Nature Camp...ETC** isn't just about outdoor fun; it's about YOU! We want you to discover the greatness within you, and we believe that exploring the many wonders of nature and the outdoors is just the way to do it!

The Nature Camp...ETC is more than a summer **Extreme Teen Camp**. While our campers are having the time of their lives on multiple field trips, canoeing, hiking, camping, discovering science truths and participating in many adventurous activities in some of the greatest scenery throughout Northeast Ohio, something else is happening. They will be growing in numerous ways: self-confidence, social achievement, teamwork, leadership and new outdoor skills, to name just a few.

The outdoors and nature provides a whole big, wonderful world and it can be easy to miss these days in our electronic filled world. **The Nature Camp...ETC** provides an environment where you can take steps outside your comfort zone with the great confidence and success. Kind and impressive role models who will make a lasting impression will guide you. You will do all this in a daily environment that's loaded with non-stop fun, excitement and laughter and where safety is emphasized.

In our attempt to accommodate the widest range of camper schedules **The Nature Camp...ETC** is now offering MANY different camp attendance options! You may mix and match the individual sessions to create the best summer calendar for your family. **(Please note you may not select individual weeks in a specific session.)**

The Nature Camp...ETC has limited enrollment; please fill out and return the registration form (on back) and your deposit to secure your campers spot.
