

*The City of Highland Heights invites you to
a Community Lighting Event*

Saturday, December 7, 2019

6:30 - 8:00 pm

Highland Heights Community Center

Please join us immediately after the lights are on and warm up with refreshments, a very special story time, children's crafts, pictures with Santa, and special balloon creations for the kids.

Please bring an unwrapped gift for a child the night of the event (*optional*). We will have a special wrapping table where the gifts will be wrapped and donated to a local charity.

We look forward to seeing you on December 7th!

Sponsored by the Highland Heights Park and Recreation Commission
