KYNDAL MURCHISON

WHEREAS, It is not many times one can say a fifth-grade student is an entrepreneur, but that is one of the many wonderful words that can describe Kyndal; and

WHEREAS, Kyndal started a business in third grade called Kyndal's Kookies. She has sold her product at a venue in downtown Cleveland, at her church, in the lobby of her apartment complex and is often seen handing out flyers about her baked goods. Kyndal is a unique and hard-working young lady who is driven to succeed even at such a young age; and

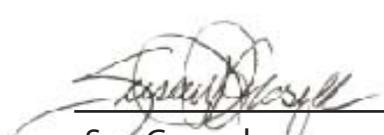

WHEREAS, Kyndal is a kind, giving, and above all, a hard-working fifth grader. After dedicating herself to a lot of studying, Kyndal placed second in the GeoBee.
