## MAYFIELD HEIGHTS YOUTH DEK HOCKEY

---

What is Dek Hockey?

Dek hockey is a sport similar to ball hockey, played outside and off the ice in an enclosed 100' x 50' playing area using a ball, plastic hockey sticks and running shoes.

It is a non-contact, team game played 3 on 3 plus a goalie, emphasizing health, fitness and fun. Our leagues will have 7-10 players on a team.
