

## **Chapter 17 Journal Questions**

#1 What myths do teens believe about drugs? Write down some statements you have heard from your peers. Which ones do you think are true? Which are false?

#2 How would dependence on a drug affect someone's daily life?

#3 How would you react to news that the person you most admire was abusing drugs?

#4 Should marijuana be legal in the US? Why or why not?

#5 How would you define faulty logic?
