

# The James Journal

*Wishing you a very happy  
holiday and winter break!*

Every student I work with received their own copy of *The Old Lady Who Swallowed a Bell (or Snow)*. We've read these books in therapy and the kids just love them! There are so many ways to build language from low to high. Please click on the links below for some great extension activities. You can download and print. You will also find additional holiday activities separate from the ones sent home this week.
