

Summing Up

Use the diagrams to identify the parts of the eye and ear, then list them in the order in which they contribute to vision and hearing. Also, briefly explain the role of each structure.

The Eye

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____

The Ear

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
