

GATES MILLS SCHOOL IS DYNAMITE! (To the tune of Dynamite by Taio Cruz)

I came to grow, grow, grow, grow
'Cause tonight I want to show, show, show,
show
All the things I came to know, know, know,
know.
Learning Together: gotta go, go, go, go!
Yeah, yeah!

'Cause it goes on and on and on...
And we learn on and on and on, yeah!

We throw our hands up in the air
sometimes
Saying O-H, O-H-I-O!
We're gonna rock it with the Daily Five
Saying O-H, O-H-I-O!

It's Innovation Hour, gonna learn a lot,
Gonna keep it up 'cause it's really hot!
'Cause I told you once, now I told you twice,
Gonna do Fox Time because it's really nice!

Reading One Book One School, school
Stuart Little's really cool, cool, cool, cool.
Reading together really rules, rules, rules,
rules.
It's my favorite thing to do, do, do, do.
Yeah, yeah!

'Cause it goes on and on and on...
And we learn on and on and on, yeah!

I raise my hand up in the air sometimes
Saying ay-oh, I think I know!
I want to do my best and get it right.
Saying ay-oh, I think I know!

It's Innovation Hour, gonna learn a lot,
Gonna keep it up 'cause it's really hot!
'Cause I told you once, now I told you twice,
Gonna do Fox Time because it's really nice!

I'm gonna do my best;
Gonna get into this Blended Learning.
Gonna know it all!

It's a New Learning Environment
'Cause I, I, I believe it, and I, I, I...
I just want to know. I just gotta know!
I'm gonna put my hand in the air, put my
hand in the air, put my hand in the air!

(DANCE BREAK – glove choreography and
hashtag signs)

I raise my hand up in the air sometimes
Saying ay-oh, I think I know!
I want to do my best and get it right.
Saying ay-oh, I think I know!

We're gonna rock Gates Mills with all our
might,
Gonna do our best 'cause we're really
bright!
Now we told you once, now we told you
twice,
Gates Mills is the best, and we're
DYNAMITE!
