

MEET THE TEACHER

Hi! My name is Mrs. Klimkowski, and I am SO excited to be part of Center's fifth grade team! More importantly, I am THRILLED to be your teacher! It's going to be a fun year full of lots of learning and new adventures, and I can't wait to see what the year has in store for us. I want to know ALL about you, but first I'm going to tell you a few things about me.

I was born and raised in Lake County, Ohio, and I have one younger sister named Carey. After I graduated from Riverside High School, I went to Mount Union College in Alliance, Ohio. Go, Purple Raiders!!! I majored in Elementary Education and couldn't wait to graduate and start teaching. I also went to Cleveland State University where I earned my master's degree in Computer Uses in Education and my principal's license.

I am starting my 26th year of teaching this year! For 25 years I have taught fifth grade, and for one year I taught fourth grade. Over this time I have taught all subjects, but my favorites are definitely science, reading, writing, and technology!

I have a wonderful husband who is the assistant principal and athletic director at Kenston Middle School. We have two adorable, crazy kids. Our daughter, Jordan, is 13 and starting eighth grade. Our son, Jaeden, is 11 and in sixth grade. They are SO much fun and keep me on my toes at all times. I love them so much!

I am so excited to be your teacher and for you to be part of this AWESOME, all-star fifth grade team. This is going to be an AMAZING year!
