

The James Journal

Hopping into Spring!

This month in therapy we wrapped up working on the housing unit where we focused on home related vocabulary, prepositions, and individual student goals with that theme. We also worked on Easter words and introducing spring if your child does not celebrate Easter.

We read “There Was an Old Lady Who Swallowed a Chick” Included in this weeks Speech and Language Folders are copies of the book we made and extension activities. If you have any questions about how to level the activities for your child, please contact me for tips!

Contact Info

Please feel free to contact me at any time during the school year to discuss your concerns or questions about your child’s progress and participation in speech therapy. E- mail is best and I will make every effort to get back to you within a reasonable time frame.

With Spring Break next week, here is my favorite tip: Talk and Play with your child! 15 minutes of devoted play time can make a big difference
