

Join the Lander Parent Teacher Group!

The Lander PTG is so much more than you think! We create relationships with school administration and each other. We have a voice when topics such as curriculum, testing, or school processes are on the agenda. *Your* idea may be your kids' favorite school event! If you think we don't need you, you're wrong!

While there still are committee head positions available, we welcome members who can simply lend a hand whenever possible. We may need someone to shop for supplies or simply hand out pizza. There are jobs of every size. *You* determine your level of involvement. You will likely find that working side-by-side with other parents is what builds the community you probably desire for your family.

There are some amazing PTG sponsored events that are **ONLY** available to PTG members, so even if you can't volunteer your time, please join so you aren't left out! Another great perk- In October, **all PTG members will be emailed a complimentary school directory** (Excel format)! The directory contains school numbers and all classroom lists including contact information-which makes scheduling those play dates a lot easier!

Our kids are growing up fast! Don't miss this opportunity to help shape their elementary experience. Let's have a great year!
