We agree to abide by all school regulations concerning driving and parking. We understand that violations will result in suspension of these privileges. The District requires student drivers to comply with all state motor vehicle laws, including the law requiring the carrying of automobile insurance. In providing parking for student drivers, the District assumes no liability for the operation of any motor vehicle by any student. The students who fail to register or display the PARKING PERMIT may have their driving privileges revoked. By purchasing this permit, you agree to give school officials permission to search your vehicle any time it is on school grounds.
