

Activity #1

Let's practice typing some words. Press enter after you type a word.

Don't worry if your words have squiggly red or green lines under them. Also, don't worry if their first letters are changed to uppercase.

pencil

book

glue

Activity #2

Type these colors. Press enter after each word.

If you finish quickly, think of other colors and type them.
Do the best you can with spelling.

red

blue

green

yellow

orange

Activity #3

Let's type some places. Press the shift key to make a letter uppercase. Press enter after you type a word.

Mayfield

Ohio

United States

Activity #4

1. Type your first name. Press shift to make the first letter uppercase.
2. Press the spacebar.
3. Type your last name. Press shift to make the first letter uppercase.
4. If you finish quickly, type the name of one or more people in your family.
