

Mary Cassatt

“The Boating Party”

Submitted by Abbie Owens, 2011

The music I will play is a 70's classic "Rock the Boat" by The Hues Association. Also while the children work on their project I have been playing the CD's Kidz Bop 18 and Kidz Bop 19 which can be purchased at Target or try the Library. I have not yet scheduled this presentation. For the last presentation I will display the other 4 artists and the art work we have done in class- just a quick review for them. The coloring page I chose is Young Mother Sewing which can be found on the Internet.

Here is the supply list:

Washable Watercolor paints

Paint brushes

Jars of water

Crayons

Yellow construction paper

Brown construction paper

24 sheets of 11 x 15 140 lb. acid free watercolor paper

The Boating Party coloring sheets

Cut out the coloring sheets

Cut out boat

Cut out paddle

Glue all to watercolor paper

Let the kids have fun coloring and water-coloring!
