 Internal & External Partnerships
 Effective and Efficient Operations
 Safe and Caring Environment

District Vision Statement	District Mission Statement
<i>A promise of learning, dignity and respect for all</i>	<i>Every student, every day</i>
District Core Values	District Priorities
<ul style="list-style-type: none"> ▪ Belief in education as a lifelong process ▪ A commitment to the education and development of the whole child ▪ Respect and valuing of every stakeholder – staff, students, families, administrators, community members ▪ Open and honest communication ▪ A commitment to creating and maintaining a positive and effective environment for all 	<ul style="list-style-type: none"> ▪ Improve academic achievement for every student ▪ Improve and nurture internal and external collaborative partnerships ▪ Improve the efficiency and effectiveness of district and school operations ▪ Create and maintain a safe and caring environment

District Goals

Goal 1	Close the achievement gap between subgroups, specifically economically disadvantaged, African American and special education, by 10% in each subgroup district-wide by the end of the 2010-11 school year
Goal 2	Provide differentiated instruction to students performing below grade level in grades three through ten in reading and writing to advance them toward grade level proficiency by the end of the 2010-11 school year.
Goal 3	Provide early intervention for students performing below grade level in kindergarten through grade two in reading and math to increase achievement levels on local measures by the end of the 2010-11 school year.
Goal 4	Provide differentiated instruction to increase percentage of students scoring in the advanced and accelerated range equivalent to or above like districts by the end of the 2010-11 school year.
Goal 5	Engage schools and community to develop cultural norms that reflect the district vision and mission, core values and quality priorities.
