12. COMMUNITY COMMUNICATIONS

A. COMMUNITY COMMUNICATIONS

Due to the continued COVID-19 pandemic and in compliance with the Ohio Department of Health order that all residents continue to practice appropriate social distancing along with the temporary authorization provided in House Bill 197 for boards of education to hold remote meetings during the duration of a health emergency; the Mayfield Board of Education continues its suspension of its community communications/public comments section of its regular meeting agendas until the COVID-19 emergency ceases.

However, the Board of Education recognizes the value to school governance of public comment on educational issues and the importance of allowing members of the public to express themselves on
school matters of community interest. In order to meet this expectation, interested community members may submit questions regarding the board agenda to Laurie Uhlir, Community Relations Director at luhlir@mayfieldschools.org beginning at 12:00pm (Noon) on Friday, July 10, 2020. Questions received addressing an agenda item will be responded to by district officials via email. Please include in the subject line: Mayfield Board of Education July 15 meeting.

Questions received to be placed in the Board Minutes:
Jennifer Jurcisek, 721 Robley Lane, Mayfield Village, OH 44040

1. However, in light of increase confirmed cases in the county and the fact that we are approaching the highest level of alert/caution, level 4, has the district considered delaying the start of school until after Labor Day to not only give the district, teachers and staff more time to prepare during this pandemic but to allow our communities more time to protect themselves until maybe our COVID level declines?

2. How many confirmed cases or percentage of cases in our county would initiate our schools to transfer to a remote learning basis for all?

3. If not based on county numbers, how many confirmed cases or percentage of cases would be allowable until a particular school in the district is closed and transferred to remote learning?

Date Approved: _______________                Signed: ________________________________

Mr. Ronald M. Fornaro, Jr., President

Attest: ________________________________

Mr. Scott Snyder, Treasurer
