

Mayfield High School

Summer Reading 2022

Wildcat Read: *The Inheritance Games* by Jennifer Lynn Barnes

- The **Wildcat Read** is a literacy initiative in which we urge the entire Mayfield community to participate. Citizens of all four cities- parents, neighbors, friends- are invited to join the mutual conversations surrounding reading with the student choice book. Maya Angelou wrote: “When I look back, I am so impressed again with the life-giving power of literature. If I were a young person today, trying to gain a sense of myself in the world, I would do that again by reading, just as I did when I was young.”
- Summer reading, in addition to the Wildcat Read, is meant to bridge reading skill attrition from the previous school year to the next. Teachers expect thorough and engaged summer reading as part of their curriculum for the 2022-2023 school year. Assigned summer reading below is *required* for all students. Most books are available from the Mayfield Regional Library, local bookstores, and electronically. All assigned reading *must be completed* by the opening of school.
