0169.1 PUBLIC PARTICIPATION AT BOARD MEETINGS

The Board of Education recognizes the value to school governance of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest.

All meetings of the Board and Board-appointed committees are open to the public.

In order for the Board to fulfill its obligation to complete the planned agenda in an effective and efficient fashion, a maximum of thirty (30) minutes of total public participation may be permitted at each meeting.

Each person addressing the Board shall give his/her name and address. If several people wish to speak, each person is allotted five (5) minutes until the total time of thirty (30) minutes is used. The period of public participation may be extended by a vote of the majority of the Board, present and voting.

Agendas are available to all those who attend Board meetings. The section of the agenda for public participation shall be indicated.

Any person or group wishing to place an item on the agenda shall register their intent with the Superintendent no later than five (5) school/working days prior to the meeting and include:

   A. name and address of the participant;
   B. group affiliation, if and when appropriate;
C. topic to be addressed.

Such requests shall be subject to the approval of the Superintendent and the Board President.

The presiding officer of each Board meeting at which public participation is permitted shall administer the rules of the Board for its conduct.

The presiding officer shall be guided by the following rules:

A. Public participation shall be permitted as indicated on the order of business.
B. Residents, groups of residents, or staff members having a legitimate interest in the actions of the Board may participate during the public portion of a meeting.
C. Participants must be recognized by the presiding officer and will be requested to preface their comments by an announcement of their name, address, and group affiliation, if and when appropriate.
D. Each statement made by a participant shall be limited to five (5) minutes duration.
E. All statements shall be directed to the presiding officer; no person may address or question Board members individually.
F. Tape or video recordings are permitted, providing the person operating the recorder has received approval from the Superintendent prior to the Board meeting and agrees to the placement of the equipment and to abide by the following conditions:
   1. No obstructions are created between the Board and the audience.
   2. No interviews are conducted in the meeting room while the Board is in session.
   3. No commentary, adjustment of equipment, or positioning of operators is made that would distract either the Board or members of the audience while the Board is in session and not disrupt the meeting.
G. The presiding officer may:
   1. interrupt, warn, or terminate a participant's statement when the statement is too lengthy, personally directed, abusive, obscene, or irrelevant;
   2. request any individual to leave the meeting when that person does not observe reasonable decorum;
   3. request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the orderly progress of the meeting;
   4. call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action; or
   5. waive these rules.
H. The portion of the meeting during which the participation of the public is invited shall be limited to thirty (30) minutes, unless extended by a vote of the Board.

Broadcasting and Taping of Board Meetings

Photographic and electronic audio and video broadcasting and recording devices may be used at regular and special Board meetings legally open to the public according to the following guidelines:
A. Photographing, broadcasting, and recording meetings are permitted only when all parties involved have been informed that cameras, broadcasting, and/or recording devices are being used.
B. Persons operating cameras, broadcasting, and/or recording devices must do so with a minimum of disruption to those present at the meeting. Specifically, the view between Board members and the audience must not be obstructed, interviews must not be conducted during the meeting and no commentary is to be given in a manner that distracts Board members or the audience.
