A. HONORS - LANDER SCHOOL

Lander Elementary would like to recognize fifth-grade student Elias Fu. Elias is a polite and respectful young man. He is also a wealth of knowledge. Whatever his class is studying or learning about, Elias can always be counted on to provide some unknown, but relevant fact. He has a love for science, history and learning about wars. He is a talented mathematician who strives for precision in his work. In addition, he is an avid reader. Elias is an extremely conscientious student with an attention to detail. Elias enjoys solving problems and building things. Outside of school he enjoys playing with Legos, cooking, and playing soccer and floor hockey. Something that stands out about Elias is his pride in his culture. He and his family will often send in pictures of special foods or meals prepared for a special holiday. Elias is an honorable young man. He holds himself to high standards and always follows the right path, not necessarily the easy one. He is a positive role model for the students around him and an all-around good person.

Lander Elementary would like to recognize fifth-grade student Liz Ige. Liz is a respectful, kind-hearted student with a flair for being creative. Liz has a love for learning and is always very thorough in her schoolwork making sure that everything she does is her best work. She welcomes challenges in the classroom with enthusiasm and determination. Although soft-spoken, Liz makes a large impact on her classmates. She is a humble student who leads by example. She is not only an extraordinary student, but also a kind human being. Liz is always the first to encourage and cheer on her classmates. She is a voracious reader and lover of books. Liz is an award-winning poet. Her poem, Beauty of the Gardens was submitted to the National Garden Club contest where she won first place. Liz loves art and is a member of the Lander Art Club. Outside of school, Liz loves crafts, sewing, baking and spending time with her family. Liz has been a role model for her classmates through all of her years at Lander. Liz is an exceptional person who makes a positive difference in the people around her.
Landor Elementary would like to recognize fifth-grade student **Parker Valentine**. Parker is a well-rounded young man. He is a hard-working, curious student who loves to learn. Parker’s love of learning is evident whether he is participating in classroom discussions or bringing in “nature” to share and study in science. In addition, he is an accomplished athlete, playing football, baseball and floor hockey. Most recently he helped lead his football team to the Super Bowl. Parker is a role-model for serving others. He is a Cub Scout and is actively involved in earning merit badges. He recently completed training as an altar boy at St. Francis of Assisi Parish. He is always the last one out of math class, making sure that all of the chairs are pushed in and materials properly put away. Parker enjoys art and is a member of the Lander Art Club. Outside of school, Parker loves to grow vegetables and has recently developed a passion for coin collecting. Parker possesses an entrepreneurial spirit. He has great ideas and is not afraid to dream BIG. Parker is an all-around amazing person that others look up to.

Landor Elementary would also like to recognize our **Portrait of Mayfield Graduates**. The following 14 Landor Elementary teachers and staff are Mayfield alumni.

Mayfield City Schools would like to recognize **James DiFranco**. Mr. DiFranco is an outstanding employee of Mayfield Wildcat Sport and Fitness who works the early morning shift. Mr. DiFranco is a very personable and hard worker who greets everyone by name and offers a "good morning." His dedication and determination to get the job done is his top priority every day. Mr. DiFranco always has a smile to share and gives the utmost respect and attention to anyone he meets. Mr. DiFranco gives his ALL each and every day. Thank you, James DiFranco for your time, talent and dedication. You truly make a difference.

(October 26, 2022)

**Jacori Elliott**, Grade 5, is a kind, motivated, and hard-working student at Millridge Elementary is the Fifth Grade Student of the Month. Jacori has earned the respect of his peers and teachers by consistently making great choices and demonstrating our Millridge Essentials. When it comes to our Essentials, it would be hard to select one that describes Jacori, but #13, Be the Best Person You Can Be is a great description of how Jacori functions each and every day.

Jacori is one of the kindest students the team has ever had the pleasure of teaching. He has all the qualities of a great student: hard working, determined, and motivated, but my favorite quality of Jacori is his kindness. One particular example of outstanding kindness took place at “Right at School.” Jacori noticed that a young Mustang was picked up really late so he asked if he could get picked up later so his young friend wouldn’t have to be alone. This is seen when he comes to Millridge every day with a smile on his face, ready to learn. He never hesitates to help a teacher or a classmate with anything, whether it is helping a friend or just lending a helping hand in the classroom. Jacori has respect and care for all of his peers, and deservedly so, they give it back to...
him. He helps anyone without a second thought and does so in a way that makes them know they have a friend in him. He is a role model not only during the school day but also at Right at School and after school during his extracurricular activities. Jacori has an incredibly positive presence that radiates out and influences everyone around him. His positivity is contagious. It is impossible to be in a bad mood around Jacori. It is without reservation that Jacori Elliott is an outstanding choice for the October Millridge Student of the Month.

5. PRESIDENT'S ANNOUNCEMENTS

A. PRESIDENT'S ANNOUNCEMENTS:

- Ms. Groszek mentioned the recent community-wide survey results and how positive they were. That the survey was conducted in a manner that utilized a true random and representative sample or cross-section of the community at large which helps to validate the results. She finally mentioned her and other board members and administrators recent attendance at the OSBA Capital Conference in Columbus, Ohio.

- Dr. Barnes mentioned that this is a continuation of our survey efforts with the last being from 2019 in an effort to continue to gauge community sentiment regarding the school district.

- Mr. Teresi mentioned that there was a large approval rating from those that are 65 years and older.
6. SUPERINTENDENT’S ANNOUNCEMENTS

A. SUPERINTENDENT’S ANNOUNCEMENTS:

- Dr. Barnes thanked Laurie Uhlir and Sean Conroy for their work associated with generating communications from the recent onsite instruction review of Mayfield practices by school districts from around Ohio. They came to see firsthand our new and innovative learning techniques occurring districtwide. He also mentioned the need for continued discussion of future planning and an ongoing community dialog around the academic and operational direction of the district.

7. BOARD MEMBER COMMITTEE REPORTS

A. BOARD MEMBER COMMITTEE REPORTS:

1. Student Learning and Academic Excellence - Close the achievement gap and improve student performance. Includes the Career Technical Education Consortium and the Superintendent’s Advisory Committee on Innovative Education.

   Board Member Presiding Chair: Jimmy Teresi

   Board Member: Jolene Greve

- Mr. Teresi mentioned the recent open house at Mayfield Middle School on November 12th and how well it was received by the community. There are plans to hold open houses in other buildings soon in the future.

2. Fiscal Stewardship and Operations - Create the infrastructure and efficient/effective operations that support the vision of the district through reallocation and allocation of resources to teaching and learning. Includes the Tax Incentive Review Council (TIRC) and the Mayfield City School District Safety Committee.

   Board Member Presiding Chair: Ron Fornaro

   Board Member: Al Hess

- Mr. Fornaro mentioned that consistent with last month’s Board action to approve the creation of an 070 Capital Improvements Fund, we are requesting the approval of $11.073M of construction contracts for work at Lander, Center, and the Innovation Center. While this may seem like a quick turnaround, we’ve been developing these projects for well over a year and this action is predicated on the following: locking in pricing, getting commitments from reputable and responsive sub-contractors, to procure long-lead time items, and getting ahead of other larger construction projects. And finally, these values include contingencies for unknowns and are within the budget values initially established.
3. Community Relations and Family Partnerships – Create partnerships and strategic alliances to promote and support the vision of the district. Includes the Citizen’s Action Committee and the Mayfield Schools Foundation.

Board Member Presiding Chair: Jolene Greve

Board Member: Ron Fornaro

- Ms. Greve mentioned the resumption of the Mayfield Parent Council meetings with the next one scheduled on November 30th. She also mentioned that the Mayfield Vocal Music Boosters are presenting a Chorus Line – Teen Edition beginning November 18th and ending November 20th and invited the community to attend.

4. Growing Leadership, Talent and Professional Capacity – Build leadership capacity at all levels required to support the district vision, mission, and goals. Includes the Federal & State Legislative Liaison and the OSBA delegate and alternate.

Board Member Presiding Chair: Al Hess

Board Member: Jimmy Teresi
