A. HONORS/PRESENTATION

*Mayfield Preschool is proud to recognize Daniel Thompson, Brantley Howe, Tessa Rucci and Madalyn Hirter as the February Students of the Month.*

Daniel comes to school with an infectious smile and enthusiasm to learn. He approaches each day and task with a positive attitude and always tries his hardest. Daniel has made leaps and bounds in all areas of growth and development since starting with us at Mayfield Preschool. Our entire team couldn’t be prouder of Daniel as he continues to grow and progress. Keep up the great work Daniel!

Brantley is a strong peer model, both academically and socially. He is kind and helpful to others in the classroom. He is curious and engaged, and always questioning things he does not understand. Brantley is thoughtful, empathetic, supportive, and inclusive of all his friends. Good job, Brantley!

Tessa demonstrates the Portrait of a Mayfield Preschool Cub. She is always smiling, has a positive attitude and is willing to help anyone at any time no matter what. Tessa is caring, empathetic, and a good friend to all students. She can be described as being a good role model, respectful and can be trusted and counted upon. Tessa has grown so much academically and socially over the past two years at Mayfield Preschool. She is a hard worker and always puts forth her best effort. We are so proud of you Tessa!

Since beginning at Mayfield Preschool, Madalyn has made significant growth both in her social/emotional and academic skills. She is a kind and caring student who is always willing to help her teachers and peers. Her commentary in class is outstanding and she loves to share stories from home. She is a true leader in our classroom. Madalyn will be greatly missed when she goes to Kindergarten next year! Way to go, Madalyn!
Our thanks and recognition to the following Mayfield Preschool staff for their dedication and support.

**Mayfield High School - Pay it Forward**

Mayfield High School students have begun a Pay it Forward room as a way to support fellow students and local Mayfield families in need.

Whether the need for support is clothing, toiletries or pantry items, students from Mayfield’s Interact Club, Bridge to Success program and The Option’s Capstone project are gathering items to give back to fellow students and local Mayfield families.

Since the start of the school year, 50 students with the support of MHS teachers Jerry Turk, Tereza Buzdon, Kim Thompson, Bridget Scafidi, Social Worker Deanna Paglio and Deanna Elsing, Coordinator of Consortium programs have separated and organized more than 150 bags and boxes of clothing donated by local resident, Melanie Giammaria. The student volunteers have been busily separating the clothes into sizing categories ranging from newborn to adult men and women.

Supplies in the Pay it Forward room currently are available to students and will eventually become available to anyone in the Mayfield community.

A. COMMUNITY COMMUNICATIONS

0169.1 PUBLIC PARTICIPATION AT BOARD MEETINGS

The Board of Education recognizes the value to school governance of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest.

All meetings of the Board and Board-appointed committees are open to the public.

In order for the Board to fulfill its obligation to complete the planned agenda in an effective and efficient fashion, a maximum of thirty (30) minutes of total public participation may be permitted at each meeting.

Each person addressing the Board shall give his/her name and address. If several people wish to speak, each person is allotted five (5) minutes until the total time of thirty (30) minutes is used. The period of public participation may be extended by a vote of the majority of the Board, present and voting.

Agendas are available to all those who attend Board meetings. The section of the agenda for public participation shall be indicated.

Any person or group wishing to place an item on the agenda shall register their intent with the Superintendent no later than five (5) school/working days prior to the meeting and include:

1. name and address of the participant;
2. group affiliation, if and when appropriate;
3. topic to be addressed.

Such requests shall be subject to the approval of the Superintendent and the Board President.

The presiding officer of each Board meeting at which public participation is permitted shall administer the rules of the Board for its conduct.

The presiding officer shall be guided by the following rules:

1. Public participation shall be permitted as indicated on the order of business.
2. Residents, groups of residents, or staff members having a legitimate interest in the actions of the Board may participate during the public portion of a meeting.
3. Participants must be recognized by the presiding officer and will be requested to preface their comments by an announcement of their name, address, and group affiliation, if and when appropriate.
4. Each statement made by a participant shall be limited to five (5) minutes duration.
5. All statements shall be directed to the presiding officer; no person may address or question Board members individually.

6. Tape or video recordings are permitted, providing the person operating the recorder has received approval from the Superintendent prior to the Board meeting and agrees to the placement of the equipment and to abide by the following conditions:
   1. No obstructions are created between the Board and the audience.
   2. No interviews are conducted in the meeting room while the Board is in session.
   3. No commentary, adjustment of equipment, or positioning of operators is made that would distract either the Board or members of the audience while the Board is in session and not disrupt the meeting.

7. The presiding officer may:

   2. request any individual to leave the meeting when that person does not observe reasonable decorum;
   3. request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the orderly progress of the meeting;
   4. call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action; or
   5. waive these rules.

8. The portion of the meeting during which the participation of the public is invited shall be limited to thirty (30) minutes, unless extended by a vote of the Board.

Specifically, the view between Board members and the audience must not be obstructed, interviews must not be conducted during the meeting and no commentary is to be given in a manner that distracts Board members or the audience.
