A. HONORS/PRESENTATION - LANDER ELEMENTARY

Mayfield City Schools is proud to recognize Lander Elementary students, teachers and staff as the February 2025 featured school.

Principal Mrs. Cicerchi would like to recognize:

STUDENTS:

Cameron Walker

Cameron is a remarkable 5th-grade student who brings incredible energy to Lander Elementary. He is one of the nicest students you'll ever meet, always greeting others with a smile and a kind word. Cameron's sense of humor is contagious, and his silly jokes never fail to lighten the mood and make those around him laugh. But behind his fun-loving personality is a determination and a "never give up" attitude that is truly inspiring. Cameron faces every challenge head-on, always ready to put in the hard work to succeed. He follows directions to the letter and takes responsibility for his learning, which has been evident in the huge strides he's made academically during his time at Lander. Cameron is constantly pushing himself to improve, and it's paying off! Whether it's tackling a tough math problem or long comprehension questions, he approaches each task with persistence and a positive mindset. His growth, both academically and personally, is a testament to his dedication and hard work. Cameron is a shining example of how

determination, kindness, and a great attitude can lead to success, and he's a true role model for his peers. We are so proud of how far he's come and excited to see all the amazing things he will continue to achieve.

Ariana Barker

Ariana is an extraordinary 5th-grade student at Lander who truly exemplifies what it means to be kind, inclusive, and hardworking. She goes out of her way every day to ensure that every student feels welcomed, loved, and valued. Whether it's reaching out to someone who's sitting alone or offering a hand to a classmate who's struggling, Ariana is always there with a kind word or action. She has a way of making everyone around her feel special, and her positive energy is contagious—when Ariana is around, there's a sense of warmth and belonging that fills the room. Ariana is also deeply involved in activities outside of school, balancing her extracurriculars with the same commitment and enthusiasm she brings to her academics. Ari was involved in Lander's first ever Girls On The Run team, Mayfield travel soccer, basketball, softball, and cheer. She works incredibly hard, always giving her best effort and showing a true passion for learning. She is a dedicated and reflective learner who actively seeks ways to improve and grow in the classroom. Ariana is a master at following the 4 P's—she's Prompt, Prepared, Polite, and Productive, and she does so with a smile that lights up any room. Her genuine kindness, unwavering work ethic, and leadership by example make her someone others strive to be like. Ariana's ability to balance her many roles while maintaining such a positive attitude is something we can all admire, and she is a shining example of the values we hold dear at Lander. We are so proud to have her as a part of our community!

Gio Murray

Gio exemplifies what it means to be a positive, engaged student at Lander Elementary. Every day, he arrives with a bright smile, a great attitude, and a readiness to learn. Gio doesn't just sit back in the classroom; he actively participates, asks insightful questions, and is always eager to dive into new topics. His curiosity and enthusiasm for learning are contagious, inspiring those around him to do their best as well. But it's not just his academic drive that stands out—Gio is also a caring and compassionate friend. He looks out for others, offering help when someone is struggling, and making sure no one feels left out. Whether it's helping a classmate with a tough problem or being the first to lend a hand, Gio consistently shows kindness and empathy in everything he does. His manners are impeccable, always saying "please" and "thank you" and treating everyone with respect. Gio embodies the 4 P's—being Prompt, Prepared, Polite, and Productive—each and every day. His wonderful qualities and the way he carries himself represent the very best of what Lander stands for, and we are incredibly lucky to have him as a student. Gio is a true role model, and his positive impact on our school is felt by everyone he meets.

STAFF:

Rebecca Schmidt

In every school, there are individuals who make a lasting impact, and at Lander School, Mrs. Schmidt is one of those extraordinary people. She is more than just a counselor—she has been a guiding light for everyone she comes in contact with. Mrs. Schmidt is a beacon of support, kindness, and selflessness for our students, families, and staff.

Mrs. Schmidt consistently goes above and beyond to help those in need. Whether she is offering a comforting presence to a student in need, guiding families through difficult times, encouraging her colleagues, or as she says “making kids happy,” she does so with unwavering dedication and a heart full of compassion. She never hesitates to step in when someone needs a helping hand, always putting others before herself.

Her work extends far beyond the walls of our school. Mrs. Schmidt’s love for the Mayfield Community is evident in everything she does. She is not just a counselor—she is an advocate, a mentor, and a friend. Her commitment to ensuring that every student feels seen, heard, and valued makes her an irreplaceable part of our school family.

Mayfield is incredibly fortunate to have Mrs. Schmidt, and her impact will be felt for years to come. We are beyond grateful for her kindness, dedication, and the difference she makes every single day. Her legacy will continue to inspire us, and while we will deeply miss her presence in our halls, we are beyond grateful for the years she has dedicated to Mayfield.

Please join us in celebrating Mrs. Schmidt and wishing her all the best in this next chapter of life!

Kris Milyo

Mrs. Milyo’s retirement marks the end of an incredible chapter filled with laughter, so much wisdom, and an unwavering dedication to her students.

After several years of teaching, her steadfast commitment and knowledge has left an impact on countless students and staff in the Mayfield School District. The mentoring she has provided to new teachers, interns, student teachers, and her first grade team has been invaluable.

Expertise, flexibility, and kindness are just a few words that come to mind when describing Mrs. Milyo. She is consistently willing to support the needs of the staff members and students. No matter what is thrown her way, she handles it with grace. On top of everything, her sense of humor is always there to brighten someone’s day.

Her love for learning and her expertise has shaped countless learners. Here are some things that first graders have to say about Mrs. Milyo: She is a nice and kind teacher. She is the best

teacher. She helps me with my work. She taught me how to sound out words to help me when I am reading. Mrs. Milyo helps me with my b's and d's. She is the best person on the planet! Mrs. Milyo's wisdom, guidance, and quick-witted humor will be missed but we wish her the best in this next chapter of her life.

Kristen Favazzo

When We Think Of Kristen We Think Of...

I think passionate, encouraging, and collaborative.

I think of an awesome teacher and friend. But I am also a bit "jelly" that she is about to venture into a new chapter of her life called RETIREMENT. We will miss you but know that it is well-deserved!

I think of calm, cool and collected. She is so organized and prepared and ready to welcome her students into her classroom every day.

I think of ready to tackle the day with positivity and cheer. Someone to give you a pep talk so that you can turn your mind into "I can." A friend to listen and a colleague to share. I think of a warm heart to empathize with others and urge to help out. I think of a personal walking calendar with reminders about schedule changes, fire drills and meetings.

I think of an organized, prepared, caring team -cheerleader who is always reminding us of fire drills, guidance lessons, or any schedule change. We can always count on Kristen to cheer our team on when we need it! You can always count on her to make sure K is prompt for assemblies. Kristen always takes time out of her day to check in to see how our days are going. We love you! I think of my mentor teacher where I started...she instilled in me the passion and love to teach Kindergarten. She set the stage for me to become a loving compassionate understanding and engaging teacher. She taught me **Patience....**and if you know anything about Kindergarten you sure need a lot of patience teaching kindergarten for **31** years. You are and have always been our biggest cheerleader and the most organized teacher I have ever met! We love and adore you and your daily check ins on your Lander K team family and your impact on our Lander students will last a lifetime!
