

JOIN THE CSA!

The CSA is Center Elementary School's parent teacher group

WHAT DOES THE CSA DO?

The CSA sponsors numerous fun programs, events and fundraisers for Center students and their families to enjoy throughout the school year.

Events we provide funding for:

- Great Lakes Science Center show
- Snacks for all holiday parties
- Holiday craft fair
- Teacher grants for school supplies or classroom needs
- Teacher appreciation

WHY SHOULD I JOIN?

Our meetings and newsletters keep you informed and give you a voice in your student's school experience. We also provide a great way to connect with other families in addition to the leadership of Center.

HOW CAN I BE INVOLVED?

There are many ways to get involved with CSA! Attending meetings, volunteering for committee work and supporting your child's classroom teacher are just a few! Meeting attendance is not mandatory and we encourage all families to join the CSA as membership fees help to fund all the programs and events we sponsor.

THANK YOU!

We thank you in advance for your support of the CSA and helping us to give your student a great school year!
