**READY OR NOT...HERE COMES SUMMER 2021!**

The **Nature CAMPS in The Village** are sure to be the most popular educational and motivational summer camps in Northeast Ohio. **The Nature CAMPS in The Village** will daily incorporate the popular format of using hands-on and discovery learning methods to explore the many phenomena in nature, science, art and physical education all while building self-esteem and positive character in each camper.

**The Nature CAMP in the Village** offers, three camps to meet the needs of all age groups; **Preschool Nature Camp** (3-4 year olds), **The Nature Camp** (K-5<sup>th</sup> Grade) and **Extreme Teen Camp** (6<sup>th</sup>-8<sup>th</sup> Grade).

\*COVID-19: Since Coronavirus is still a fluid and ever-changing situation, we as a camp unfortunately will not know any of the protocols that we may have to follow or implement if any at this time. It is our desire to return camp back to the "old normal" as much as possible. Our only limitations will be our full adherence to mandates opposed by the Governor and/or County Board of Health on our operations.

In order to give our campers (K-8th Grade) a more diverse outdoor summer experience, camp time is shared between The Village of Gates Mills and the neighboring North Chagrin Reservation. (Specific dates and locations will be provided.)

In order to ensure the safety of all campers and employees, the Preschool Nature Camp, The Nature Camp in the Village, and Extreme Teen Camp reserve the right to reject the application of any camper who may require special services or accommodations whom the prior listed camps are not equipped for or trained to accommodate.
