

Video Discussion

Quick Activity

What You'll Need: • [Video](#) • [Student Handout](#) • [Student Handout \(Spanish\)](#)

Activity Steps

1. **Introduce** the video topic to students by saying: *Today we are going to watch a video that explores what type of information is and is not OK to share online.*
2. **Show** the [Private and Personal Information](#) video (1:20 minutes). (Note: The video is also available in Spanish, and you can use the video player to turn on subtitles.)
3. **Lead** a class discussion exploring the questions below.

Distance learning option: Have students watch the video and complete the handout. If there's time, have students share their responses during a video meeting.

Discussion Questions

1. *What type of information about you is OK to share?*

Sample responses:

- It is OK to share personal information. Personal information includes things like: what you like to do, your favorite movie, ideas that you have, or even pictures of your pet.

2. *What type of information isn't?*

Sample responses:

- It is not OK to share private information. Private information includes things that identify you, such as your full name, home address, phone number, school, or date of birth.

3. *Why shouldn't you share private information?*

Sample responses:

- You should not share private information because someone could use it to identify you individually. They could try to contact you, or use the information to impersonate you.
