MAYFIELD CITY SCHOOLS: OUR PLAN TO HELP SERVE STUDENTS WHO ARE APPROVED FOR FREE & REDUCED ASSISTANCE.

As another school year comes to a close we understand this year has been especially challenging. In our continued efforts to ensure no child goes hungry, we want to make you aware of two resources:

1.) Pandemic Electronic Benefit Transfer (P-EBT)

All households with children in grades K-12 who, if not for the closure of their school, would receive free or reduced-price school meals are eligible to receive this one time benefit. *If you are already receiving benefits from the Supplemental Nutrition Assistance Program (SNAP) P-EBT benefits will be added to the account in which the child is active by the end of May. **If you are not currently a SNAP recipient or an account cannot be matched you will receive a preloaded P-EBT card in the mail by mid-June.*** If you have additional questions please call **1-866-244-0071**.

2.) Additionally, click on this [link](#) for information about summer feeding sites and local food banks/pantries available in the community. Scroll down to the documents posted at the bottom of the page. Be sure to read details carefully because some locations require beneficiaries to call ahead for an appointment while others only serve specific area codes.

The Food and Nutrition Services team at Mayfield City Schools wishes you a happy and safe summer!

Sincerely,
Robin Smeal, Food Service Director
Mayfield City Schools
