

SEL IN DIGITAL LIFE

GRADES K-2 FAMILY CONVERSATIONS PACKET

Social and emotional learning is most effective when all members of your school community are included. These conversation starters for families are aligned with the SEL in Digital Life classroom activities. Share these family conversation starters to help your students and their families talk meaningfully about their digital lives.

GRADES K-2 FAMILY CONVERSATIONS

SELF-AWARENESS IN DIGITAL LIFE

Talk About How Your Child Feels When Using Technology

Your child is learning to pay attention to their feelings while using devices, such as tablets, phones, or computers. Use these questions to talk with them about the different ways technology makes them feel and what to do if they feel uncomfortable or frustrated.

Ask these three questions:

1. *I hear you talked in school about the kinds of feelings you might have when using technology. Do you ever feel sad or mad when you use your devices?*
2. *What are some things you do that make you happy when using technology?*
3. *Can you tell me about the **Pause, Think, and Ask** routine you learned in school?*
 - Listen for:
 - *Pause: When you have a feeling, stop and take a moment to notice it.*
 - *Think: Notice your feelings and think about what to do next.*
 - *Ask: Listen to all your feelings. If you're feeling uncomfortable or frustrated, get help from a grown-up.*

SELF-MANAGEMENT IN DIGITAL LIFE

Talk About How Your Child Manages Their Emotions During Transitions

Your child is learning how to transition from an online activity to an offline one. Use these questions to talk with them about how to regulate their emotions when it's time to put the device away.

Ask these three questions:

1. *I hear you learned a strategy at school for saying goodbye to the phone, tablet, or computer when it's time to stop. Can you tell me about it?*
 - Listen for:
 - *Pause!* [hold hands out like you're backing up]
 - *Breathe!* [sweep hands up chest]
 - *Finish up!* [wave goodbye with both hands]
2. *How do you feel when your time watching TV or using your tablet is over and you have to turn it off?*
3. *Why is it important to stop what you're doing and **pause** for people, even if you don't want to?*
