

Mayfield High School Summer Reading 2023

Summer reading is meant to bridge reading skill attrition from the previous school year to the next. Teachers expect thorough and engaged summer reading as part of their curriculum for the 2023-2024 school year. Assigned summer reading below is *required* for all students. Most books are available from the Mayfield Regional Library, local bookstores, and electronically. All assigned reading *must be completed* by the opening of school.
