The Recreation Department and Camp Staff continue to work hard to plan another amazing summer of camp in Mayfield Village. This summer field trips will not be scheduled. Entertainment and some activities will be brought in. Cookouts, pizza parties, themed days and plenty of outdoor play will be available. Campers should plan on having open swim at Parkview Pool several times a week (swim lessons are not available this summer).

Space will limited to approximately 20 campers in K-3rd grade and approximately 20 campers in 4th-6th grade (Fall 2021). K-3rd graders and 4th-6th graders will do many activities separately with the goal of providing engaging activities for each age group.

Camp Director Tara Czaplicki will coordinate the camp again this summer along with her Assistant Director, Mayfield teacher and camp staff alumni, Elizabeth Pona. College and High School age counselors will be leading and supervising the campers. Camp is within walking distance to the pool, playground, trails and tennis, volleyball and bocce courts.

Mayfield Village Summer Camp will follow guidelines for safely running camp during COVID-19. Temperatures will be taken upon arrival to camp, masks must be worn by staff and children 10 years and older, it is recommended that all campers wear a mask as much as possible during camp (not during active play), hand washing will be enforced, hand sanitizer available, no sharing of toys/items from home, equipment sanitized and distance maintained.
