This camp continues to receive high praise from parents each summer; don't miss out this year! The all-star team of Camp Director, Tara Czaplicki and Assistant Camp Director Elizabeth Pona will be with campers again this summer! Both are elementary school teachers and have led college and high school age counselors for many years with Mayfield Village.

Campers will be able to participate in field trips each session and entertainment will be brought in to entertain the group. Camp includes time for free play and also planned activities which might include kickball, various sports, crafts, themed days/activities; cookout or pizza party at the end of each session. Camp visits Parkview Pool several times a week for open swim. This camp is held primarily outdoor and is within walking distance to the pool, playground, trails and tennis, volleyball and bocce courts.

Space will limited to approximately 30 campers in K-3rd grade and approximately 30 campers in 4th-6th grade (Fall 2022). K-3rd graders and 4th-6th graders will do many activities separately with the goal of providing engaging activities for each age group.

Swim Lessons will also be offered for an additional fee (TBD). Parents can sign up their camper(s) for 9:00 a.m. lessons on Tuesdays/Thursdays. All levels will be offered. Registration takes place in May generally and information will be sent out to enrolled campers when it becomes available. Camp staff will coordinate bringing campers to/from lessons. You must sign up for lessons at the pool during regular pool registration hours. On rainy/inclement weather days, when camp moves inside, Mayfield Village cannot transport campers to/from lessons. On occasion, field trips may be scheduled to leave before swim lessons are over. If the child goes to lessons instead of the trip, it is the parent's responsibility to pick up child after lessons. No refunds/pro-rating for missing camp or swim lessons due to field trips or weather.
