

Serving the children of those who serve us all

Who Are We?

The Military Child Education Coalition is a 501 (c)(3) nonprofit organization that solely exists to help the military child thrive in the face of transition and separation.

Our Mission

MCEC is dedicated to ensuring inclusive, quality educational experiences for all military-connected children affected by mobility, family separation, and transition.

Our Community

MCEC is a professional Coalition with a diverse community consisting of public school districts, private schools, colleges and universities, small businesses and corporations, non-profit organizations, military commands and installations, military families, and caring individuals from local communities across our Nation.

Our Work

MCEC delivers programs, services, and professional development to meet the needs of military-connected students, parents, and professionals.

Student Programs

MCEC believes that enabling students to thrive and succeed in our education system by providing them the tools necessary to become college, career, and life-ready, is of the highest importance. *Student 2 Student*® (S2S™) programs at the elementary (eS2S™), middle (JS2S™), and high school (S2S™) levels bring military and civilian kids together to welcome new students, support academic excellence, and ease transitions as students pass in or out of schools.

Parent Programs

MCEC parent programs empower parents to become informed, proactive supporters, allowing them to make a positive impact in the needs of their children. *Parent to Parent*™ provides informative and interactive parent workshops to groups and organizations in the local community that address academic, social, and emotional issues associated with a military family lifestyle.

Professional Development

MCEC believes in the importance of professionals possessing the knowledge necessary to identify and respond to complex needs of military and veteran-connected children. Across disciplines such as education, healthcare, childcare, and business, MCEC trains professionals to address the unique challenges facing our military children. All training is grounded in research and presented by highly skilled instructors.
