

2020- 2021 GATES MILLS PTC VOLUNTEER INFORMATION

Welcome to the 2020-2021 school year! The PTC has many events planned throughout the year to support our students and make it a great year for the children and their families. Obviously, this year is different from the past. We know everyone is working as hard as they can to meet the educational, social, and emotional needs for your children. The hope is that we can get back to normal sooner than later.

The PTC events below were planned in advance and we hope to be able to sponsor them – even if they get pushed to a later date. We still want to ask for volunteers to help with the events. Please email to become involved!

Our children love to see their parents take an active role in their school environment- please consider helping out!
