49.4 Reading and Writing
31.5 Math

WHAT STUDENTS ARE SAYING

"I took a month-long class last year, and I thought that this one seminar was as useful and productive, if not more so, than the month-long class."

—Matthew,
Dos Pueblos H.S., CA

"Most test practice seminars are very boring and not that helpful. This one is the first where I learned valuable tips and information, and, I actually can say I enjoyed."

—Jillian,
Manhattan H.S., KS

"I found this seminar very useful! I appreciate the time and enthusiasm that was put into the presentation, and now feel 100 times more confident about testing. Thank you!"

—Olivia, Westford Academy, MA
