Coach Fortuna has taught this program over the years but will be taking the Fall season off. New instructors from Rookie Sports will step in and work with 2nd-6th graders living in the Mayfield School District. Track and Cross Country = running. Something everyone can excel at and it can be done nearly anywhere! The program includes warm-up, group runs, stretching and cool down. This program is instructional in nature and instructors place an emphasis on learning proper fundamentals in a fun, encouraging way. If there are cancellations due to weather, all attempts will be made for make-ups but please note weather is a huge factor the later the program goes. Rookie Sports instructors all have background in physical education, youth sports coaching, elementary education or are in college studying relative course material. Bring water and dress according to weather. Participants receive a t-shirt if registering before the deadline. **Reg. Deadline: 8/21.**
